Dear Brothers of Beta,

I regret to inform you that we lost a brother tonight. Stephen Greene has lost everything representing manhood. Due to this loss of manhood, he is no longer fit to be a brother. Until he finds other housing arrangements, we will let him live in Beta, but he will only be referred to as "Sister Steve." Again, it is with great regret and sorrow that I inform you of this tragedy.

Yours in sadness and -kai-
Peter Hill
